Trips with the Subaru 4WD Club of QLD Inc.

The Subaru 4WD Club of Queensland is a non-profit organisation run for the benefit of its members, promoting enjoyment of the outdoors in a family environment. We are an affiliated club with the peak body Four Wheel Drive QLD. Our club aims to keep costs low, however Public Liability/Personal Injury insurance is a necessity for the club and part of our annual costs. The management committee has implemented a policy for fairness of Members and Non-Members alike who attend our trips as below.

Conditions for Non-Members attending our trips:

Non-Members can attend two (2) trips free of charge to check us out.

If Non-Members wish to continue attending trips after completion of two (2) trips, they will be required to join the club and become a financial member.

Current annual membership fees are \$75 per household for a Financial Year (e.g. A Family of four is covered in a single Membership Fee of \$75).

How to Join the Club:

Other Useful Information for our Trips:

Radio Comms: UHF Channel 10 (Club has some spare hand-held units for day loan).

Trips are run in Convoy with a dedicated Leader and Tail-End Charlie.

Make sure you know which car in the Convoy is in front and also behind you.

Any turns will be communicated by the Trip Leader via UHF radio.

Make sure the car in the Convoy behind you sees you before you make a turn. That way nobody gets lost!

Most importantly – have fun!
